RED BALL 2011

Eatible Delights Catering, was one of the featured caterers at the Red Ball 2011. We were happy to be a part of this wonderful occasion. This year we served two of our local favorites. Hot Penne Pasta w/ sundried Tomato Crème sauce, and Our signature Tangerine Orange Herbal Ice Tea. A wonderful time was had by all!

Commentary from David

As we embark on these challenging economic times, remember that you can and must succeed. Do what you need to do to make your business survive, and thrive. 1. When you are growing a business, you must have good partnerships with people. 2. Find out what you can do to making lasting impressions. 3. "What is your "Wow" factor?, 4. What are you doing to keep your customers? 5. What is your relationship with your customer? Did you send them a card for their anniversary, birthday, or Christmas? How will your customers know how to reach you? Think about giving your regular customers something small, so that they can refer you. When was the last time that you said "Thank You", for the business, the last time they patronized your business?
